JOURNAL INDEX 1984-2020

This new Index (1984-2020) absorbs (and thereby expands) the wonderful earlier index completed by Tony Presgrave. This 2020 Index was completed to help recognise and celebrate the CSCA's 100th journal issue. For the Index to have reached fruition, copies of many CSCA journals were acquired from members living in four different Australian jurisdictions. Many hours were then spent cataloguing the many Cinderella areas explored in the journals and, on occasion, collapsing key themes into broader topics.

The Index covers the first 1984 issue and ends more than 35 years later with the current December 2020 journal.
