The following is extracted from the **Records Description** of the pamphlet describing the microfilms:

Entries in these volumes include the number and denomination of postage stamps printed for ordinary postage stamps, stamped envelopes and newspaper wrappers, Post Office and registered package envelopes, postal cards, Post Office and deal letter envelopes, postage due stamps, letter sheet envelopes, and specimen postage stamps. The volumes also include tables showing yearly appropriations and expenditures for fiscal years 1882 – 1897. The volumes also give the date that the bill from the printer of the stamps was approved for payment.

Bill Book#1:	Sept. 30, 1870 – December 1875.
Bill Book#2:	January 1876 – December 1879.
Bill Book#3:	January 1880 – December 1883.
Bill Book#4:	January 1884 – December 1888.
Bill Book#5:	January 1889 – March 1893.
Bill Book#6:	March 1893 – June 1897.

The reports of postage stamps printed are entered in the volumes chronologically and thereunder either quarterly or monthly. For example, reports on the printing of ordinary postage stamps are entered quarterly from December 31, 1870, through 1879; the reports were issued monthly from January 1880 through June 1897.

The entries in the volumes are annotated to show the date that the payment was authorized for production of these supplies, and the name of the contractor who supplied the materials. These contractors include the National Bank Note Company, the Continental Bank Note Company, the American Bank Note Company (ordinary postage stamps); George H. Reay, the Plimpton Manufacturing Company, the Morgan Envelope Company, and James Purcell (stamped envelopes and newspaper wrappers); Morgan Envelope Company, the American Phototype Company of New York City, Woolworth and Graham of New York City, CC Woolworth of New York, Albert Daggett of Birmingham, CT (postal cards); George H. Reay, George F. Nesbitt and Company of New York, Plimpton Manufacturing Company, Morgan Envelope Company (post office and registered package envelopes); Continental Bank Note Company, the American Bank Note Company, and the United States Bureau of Engraving and Printing (newspaper and periodical stamps).

Entries relating to the production of Columbian Stamps for the World's Columbian Exposition of 1893 include monthly reports of stamps furnished for sale to the public honoring the Columbian Exposition from December 31, 1892, to March 1893 in Volume 5 of the Stamp Bill Books. The contractor was the American Bank Note Company. In Volume 6 are monthly reports on Columbian postage stamps furnished by the American Bank Note Company from April 30, 1893, through April 30, 1894.
