

Czeslaw Slania's 1,000th Stamp

To coincide with Czeslaw Slania's creation of his 1,000th engraved stamp, Sweden commissioned Slania in 2001 to create a special stamp design based on a ceiling fresco entitled "The Great Deeds of Swedish Kings" (Ehrenstrahl, 1628-1698). The elaborate and breathtaking stamp is both engraved and multicolored, and at the time of its release was the Guinness Book of World Records holder for the largest engraved stamp ever issued. Hidden in this puzzle are 43 themes found in Slania's epic design, Scott 2374.
