POSTAL ZONE NUMBERS—BROOKLYN, N. Y.

Special Instructions:

Where no street numbers are shown, the entire street or avenue is delivered from the Postal Zone number indicated.

Where the word "over" appears next to a number, it signifies that the particular number and any higher number on that street is delivered from the Postal Zone number indicated.

Some street names are duplicated. In order to distinguish them, the outlying streets of similar names have the geographical section in which they are located indicated opposite the name, as follows:

C. I.	meaning	Coney Island
Canarsie	meaning	Canarsie
Ridge	meaning	Ridgewood
Sheeps. Bay	meaning	Sheepshead Bay
M. V.	meaning	Middle Village
Glen	meaning	Glendale
Sea Gate	meaning	Coney Island

Some streets continue beyond the delivery boundaries of Brooklyn. This is indicated by a name shown after the highest street number served—such as:

Masp	meaning	Maspeth, N. Y.
Wood	meaning	Woodhaven, N. Y.

Your cooperation in the use of this pamphlet, will assist materially in making the numerical system a success.

If there are any points not clearly understood, please call Main 4-1000, Extension 203, and we will be glad to furnish any information you desire.

Postmaster.
