No mailing list is maintained for the distribution of this circular. It is revised at necessary intervals, and must be written for if desired.

Remittance must accompany each order and should be made by postal money order or certified check, payable to the "Philatelic Agency." Postage stamps are not accepted in payment. Cash should be sent by registered mail; persons sending cash by ordinary mail do so at their own risk. Stamps are not sent C.O.D. The Agency does not prepare first day covers.

In addition to postage at the rate of 3¢ per ounce or fraction thereof, the registry fee on shipments valued at \$5.00 or less is 15¢; \$5.01 to \$25.00, 18¢; \$25.01 to \$50.00, 20¢; \$50.01 to \$75.00, 25¢; \$75.01 to \$100.00, 30¢; \$100.01 to \$200.00, 40¢; \$200.01 to \$300.00, 50¢; \$300.01 to \$400.00, 60¢; \$400.01 to \$500.00, 70¢. The rate on orders valued in excess of \$500.00 may be obtained by patrons from their local postmasters.

It is requested that remarks or inquiries not relating directly to the order be submitted in a separate letter. Patrons of the Agency should not send a self-addressed envelope for the return of their purchase. Such envelopes are frequently found unsuited for the purpose. Small balances due the purchaser will be returned in 1 and 2-cent postage stamps.

EXPERIMENTAL PLATES

Sheets of 100 2¢ Washington, 2¢ Adams, and 3¢ Jefferson stamps, with dashes along the inner vertical margins, as well as a 2¢ Adams issue which also shows short horizontal lines along the outer vertical margin of the left panes, perforated 11x10½, are available printed from special plates designed for use in connection with the perforating machine equipped with the photo-electric cell. As these stamps may be identified only by marginal characteristics, they are for sale only in complete sheets.

PLATE NUMBERS

To insure the receipt of plate numbers, patrons are required to purchase full sheets, with the exception of the \$1, \$2, and \$5, stamps, plate numbers or other markings of which may be obtained in blocks of four. However, plate number blocks resulting from breaking sheets of other stamps are not destroyed, but distributed indiscriminately in the filling of orders.

Please address all orders for stamps and communications relating thereto to the

Post Office Department,
